The **South Carolina Modelers Association** was established August 27, 1994 to enable it's members to share ideas, learn new techniques and enjoy the fellowship of those who share their enthusiasm for modeling.

We are not master modelers. We have members who build at all levels in a variety of subjects. Members enjoy other benefits as well, like a 10% discount at participating hobby shops, a monthly newsletter, raffles and junkyards at SCMA events.

The South Carolina Modelers Association

JOIN THE SCMA! Dues are only \$12 the first year and \$18 a year thereafter.
